

# MOHAMMED SABITH

Computer science and engineering

mohdsabith728@gmail.com

---

## SUMMARY

software developer skilled in designing, coding, testing, and maintaining software applications. proficient in c,Java,javascript,python,css,html.with a strong background in problem-solving and collaborating with cross-functional teams to deliver efficient solutions. Adept in using version control.

---

## TECHNICAL SKILLS

1. Programming Languages
2. Version Control (Git, GitHub)
3. Web Development (HTML, CSS, JavaScript frameworks)
4. Database Management (SQL, NoSQL)
- 5.cybersecurity

## PROJECTS

### Project Title: Airline Reservation Database Management System

Role: Team Leader

Developed a full-stack application with HTML, CSS, JavaScript, Node.js, and MongoDB.

Implemented customer management, booking, and cancellation features with a secure, responsive interface and optimized database performance.

### Project Title: WISE-women in safe environment

Role: Team Member

Developed a safety-focused web app using React and various APIs to empower women with real-time alerts and support features. Recognized among the Top 5 nationally in a premier hackathon. The solution offers unique, real-world benefits and remains an unimplemented innovation.

---

## EDUCATION

### Bachelor of Engineering in Computer Science | CGPA : 8.9 | 2022 - Present

PA college of Engineering, Mangalore, Karnataka

### Pre-University, PCMC | Percentile : 74.5 | 2020 - 2022

st Sebastian Pu college

### Secondary Education

Nishara public school

---

## ADDITIONAL INFORMATION

**Languages:** English, hindi, Tami, telug, basic Japanese

**Certifications:** cs50 ,python,c,iot,time management,cyber security

**Awards/Activities:** iot ,google developer community workshops, embedded projects,webpagedevelopment,cs50 Harvard university

**Internship:** Future intern.
